

RLPSA members, it is with extreme sorrow that we share the loss of one of our dear family members, Jason Swanson, as a result of a traffic accident that occurred yesterday, April 16, 2025, in Washington State. Jason was a valued member of our RLPSA family and to say he will be missed is an understatement.

Jason brought a smile to each of our faces because of his wit, sincere joy, kindness and ability to connect with anyone on just about any topic. He truly placed the needs of those around him first...a true gentleman and leader. More importantly than the numerous accolades he received over the course of his professional career was the undeniable success he achieved as a devoted husband to his wife, Katie, and father to their two sons.

Jason's unique background in both the retail and restaurant industries served as a cornerstone to the tremendous impact he had as an RLPSA member, board member, featured presenter, service provider, colleague, associate, and most importantly, a friend.

Jason is loved and missed by all that came to know him. We ask that you please keep Katie and their children in your thoughts and prayers as they navigate the loss of their beloved husband and father.

A GoFundMe account was established to directly support the Swanson Family and can be accessed via the attached link and/or QR code.
